

OUR PFA COMMITMENT

Enhancing Educational Initiatives: The PFA provides thousands of dollars in valuable building-based programs for the classroom through teacher grants.

Leveraging Volunteer Power: With shrinking budgets, increasing class sizes and government mandates, there's help from the dedicated PFA volunteers. Whether it's fundraising or initiating change through the District, every member counts.

Improving Communication: Can't get to a meeting? Access our website for links to our guest speakers' presentations, monthly minutes of the PFA, BOE and PIC meetings and more. Any questions or suggestions, email us at MHSSpfa@gmail.com

Promoting School Spirit: The PFA continues to help improve the school's environment. This past year the PFA was able to provide the charging stations throughout the school, a new mascot costume and the field directory sign for the back lot! We also help our faculty members advising clubs and activities by awarding grants which offset the State's mandate restricting some fundraising. This year the PFA helped the Model UN attend a conference in Washington, DC., provided ballet bars for the new Dance Team and new equipment for the TV Production Department.

WHY SHOULD YOU JOIN THE PFA AS A MEMBER OF THE FACULTY?

We Want To Work With You: That means starting your year right with the Welcome Back Breakfast, providing exposure for your students' activities via social media, purchasing useful gifts for the school that will benefit the students and staff, and showing our gratitude during Teacher Appreciation Week! We want you to know that we are on the same team with the same goals.

Club and Teacher Grants: The most important reason to be a member is for the club and teacher grants that we make available. Just this year we were able to provide:
A document camera for the Fine Arts Department
An air fryer for Culinary Arts
PDF document and annotation markup tools for the Social Studies Department
Two new sewing machines for the Consumer Sciences Department
Video and photography equipment for TV Production
Travel expenses for the Academic Team and more!

But, like the lottery, you have to be in it to win it! Sign up today and be a part of the amazing things that we will all make happen together!

MHSSPFA

Information • Collaboration • Support

The Middletown High School South PFA is a non-profit volunteer organization made up of MHSS' parents, faculty and staff. We are an organization dedicated to supporting and enriching Middletown South's vision, programs and activities to benefit all the members of our community.

FLIP OVER - MORE ON BACK

Mail your completed form, raffle tickets and check payable to MHSS PFA to:
Middletown High School South
Attn: MHSS PFA, 900 Nut Swamp Rd., Middletown NJ 07748

Dear Faculty,

The Parent Faculty Association (PFA) Executive Board welcomes you back for what will be a positive and productive school year. This year, two of the PFA's primary goals are to provide financial resources through fundraising and foster better communication among faculty, parents and students. In the past, through parent and faculty support we have enhanced the educational initiatives within High School South. The PFA has provided thousands of dollars in teacher grants and scholarships to many of our members' children. We are happy to continue to support valuable building based initiatives through our fund raising efforts. Our main source of financial support comes through membership dues, our annual Thanksgiving raffle, and proceeds from the snack stand in our stadium.

We hope that you will accept our invitation to become a member of the PFA. We would like to thank those of you who chose to join the PFA in the past, welcome back anyone who would like to return and encourage those who have not joined to give it try. Please complete the membership form below. Prepaid members need not complete a membership form.

Thank you again for your support and know that we are here to help.
