

OUR PFA COMMITMENT

Enhancing Educational Initiatives: The PFA provides thousands of dollars in valuable building-based programs for the classroom through teacher grants. **Leveraging Volunteer Power:** With shrinking budgets, increasing class sizes and government mandates, there's help from dedicated PFA volunteers. Whether it's fundraising or initiating change through the District, every member counts.

Improving Communication: Can't get to a meeting? Access our website for links to our guest speakers' presentations, monthly PFA, BOE and PIC meeting minutes and more. Any questions or suggestions, email us at MHSSpfa@gmail.com.

Promoting School Spirit: The PFA continues to help improve the school's environment. This past year the PFA provided the fence screening on the back fields to give our school a real campus feel! We also awarded grants for Clubs to offset the State's mandate restricting some fundraising.

WHY JOIN THE PFA?

We Want To Work With You: Working together means starting the year with the Welcome Back Breakfast; using social media to provide exposure for students' activities; purchasing useful gifts for the school that will benefit the students and staff; and showing our gratitude during Teacher Appreciation Week! We want you to know that we are on the same team with the same goals.

Club and Teacher Grants: The most important reason to be a member is for Club and teacher grants. Just this year we were able to provide:

- The TV Production Club - DVD burners, SD cards and an LED light
- The Dance Team: hand truck for moving equipment
- The Eagle Eye Newspaper: newspaper racks
- Fine Arts: art easels and a laminator
- Culinary Arts: a new microwave/convection oven
- The Social Studies department: PDF editing software and a subscription to Book Creator to help students create interactive book presentations
- Physical Education Department: a television for fitness classes

Like the lottery, you have to be in it to win it! Sign up today and be a part of the amazing things that we will all make happen together!

Dear Faculty,

The Parent Faculty Association (PFA) Executive Board welcomes you back for what will be a positive and productive school year. Two of the PFA's primary goals are to provide financial resources through fundraising and foster better communication among faculty, parents and students. Through past parent and faculty support, we have enhanced the educational initiatives within High School South. The PFA has provided thousands of dollars in teacher grants and scholarships to many of our members' children. We are happy to continue to support valuable building-based initiatives through our fundraising efforts. Our main source of financial support comes through membership dues, our annual Thanksgiving raffle, and proceeds from the snack stand in our stadium.

We hope that you will accept our invitation to become a member of the PFA. We would like to thank those of you who chose to join the PFA in the past, welcome back anyone who would like to return and encourage those who have not joined to give it try. Please complete the membership form below. A list of our prepaid members is attached. Prepaid members need not complete a membership form.

Thank you again for your support and know that we are here to help.
